Diagram 1 shows the black frame component with two tan pins being inserted into the top holes. Red arrows indicate the direction of insertion.

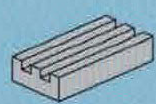

2

Diagram 2 shows a dark blue 1-hole brick being inserted into the top hole of the black frame. Red arrows indicate the direction of insertion.

3

Diagram 3 shows a yellow 6-hole beam being inserted into the top holes of the black frame. A small icon with the number 1 is shown above the beam. Red arrows indicate the direction of insertion.
